

## Supplementary file

All current codes

Code	Quotations	Comments
Amount of prescriptions	1	Type of instrument/measure
Anxiety	1	Psychosocial variable
Biologics	1	Medication
Biomarkers of bone	1	Type of measure
Biomarkers_useful	8	Biomarkers that should be included in a new definition of remission
Biomarkers_useless	9	Biomarkers that should NOT be included in a new definition of remission
Calprotectin	3	Type of instrument/measure
Collagen	1	Biomarker
Context	4	Psychosocial variable
DAS	6	General comments on Disease Activity Score (DAS)
DAS_benefit	4	Benefits of the DAS
DAS_limitation	17	Limitations of the DAS
DAS_modifications	6	Changes that should be made in the DAS
Depression	1	Psychosocial variable
Doppler	4	Type of instrument/measure
ESR	1	Type of instrument/measure and biomarker
Fatigue	1	Type of instrument/measure and symptom
Fear	1	Psychosocial variable
Feeling good	1	Type of instrument/measure
Feeling vulnerable	1	Psychosocial variable
Flares	1	Type of instrument/measure and symptom
Genetics	3	Type of instrument/measure and biomarker
Holistic instrument	1	Type of instrument/measure
Imaging techniques	15	Type of instrument/measure
Inflammatory activity	4	Type of instrument/measure and symptom
Instrument/measure	117	Any instrument or measure that is used to evaluate remission or another construct of the disease
MBDA	1	Type of instrument/measure and biomarker
Medication	7	Anything that alludes to medication in RA
MMP3	1	Type of instrument/measure and biomarker
Mobility	1	Type of instrument/measure and symptom
MRI	2	Type of instrument/measure
Pain	1	Type of instrument/measure and symptom
PAS	1	Type of instrument/measure
Patient-physician relationship	29	Everything that alludes to the patient- physician relationship
Patient Report Outcome	1	Type of instrument/measure
PCR	1	Type of instrument/measure and biomarker
Psychosocial	10	Important psychosocial factors to consider in RA
Quantify	29	It encompasses everything that alludes to objective measures and their contrast with subjective measures
Quantify_benefits	5	Benefits of objective measures
Quantify_limitation	20	Limitations of objective measures
Radiography	3	Type of instrument/measure
Remission_n_definition	54	Concepts that should be included in a new definition of remission
Remission_limitation	46	Current limitations on the concept of remission
Research_lines	15	Types of research that should be done in the future to find a new definition of remission
STAI	1	Type of instrument/psychosocial measure
Symptoms	3	RA symptoms
Ultrasound	9	Type of instrument/measure
VAS	3	Type of instrument/measure
